East St. Louis, Illinois

ATTENTION: Mr. Adwir Kreamer

Dear Sir:

St. Louis Pipeline Corporation respectfully requests a permit to construct, operate and maintain a six inch welded steel petroleum products pipeline across the Cahokia Diversion Channel.

Crossing of the channel will be made at a point 85 feet west of the center line of Illinois State Highway # 3 as shown on the enclosed drawing number FS-100-12.

Since the Cahokia channel is a district line, I will point out that the Board of Commissioners of the Wood River Drainage and Levee District are also being applied to on this date.

For any further information you may wish, please contact Mr. John M. Vice, P.O. Box 5891, St. Louis, Missouri 63134; or phone 314-524-8228.

We will appreciate your usual kind attention to this request.

Very truly yours,

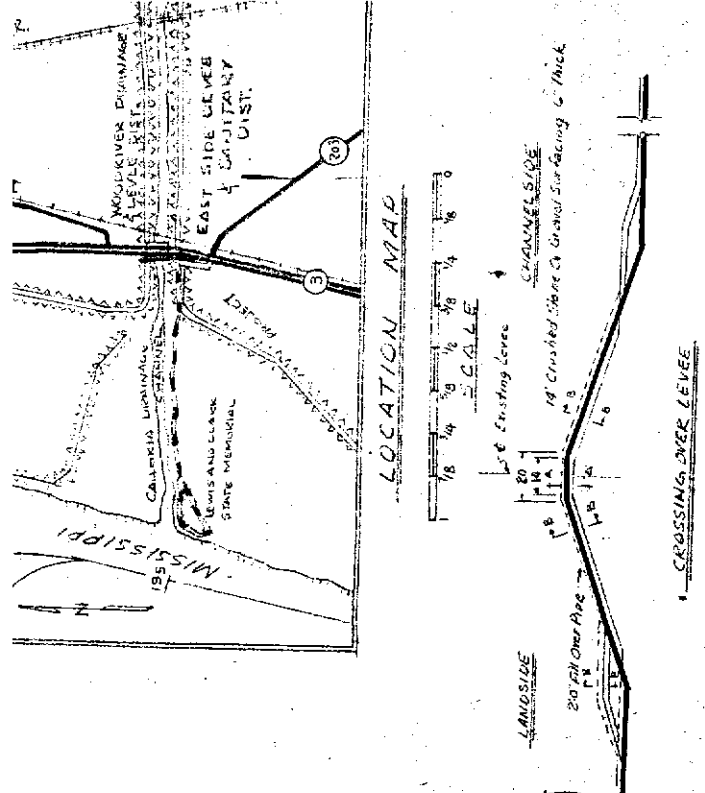

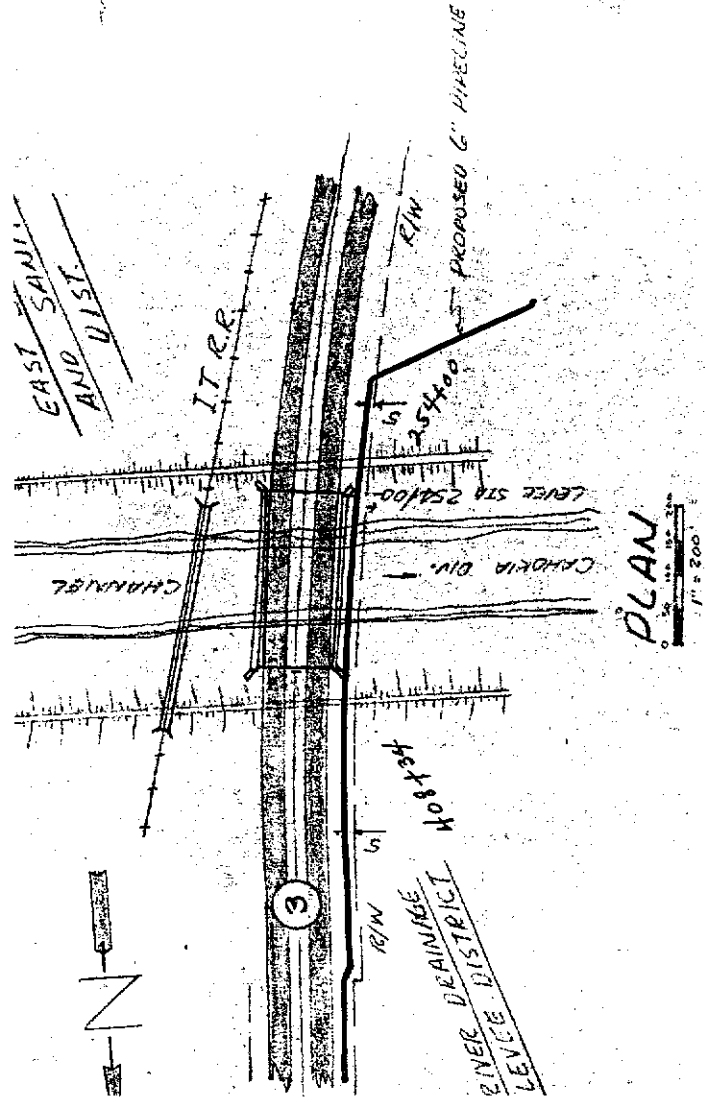

ST. LOUIS PIPELINE CORPORATION

John M. Vice

Re: Alteration File
LMSOD-OF (70-5)
East St. Louis Area

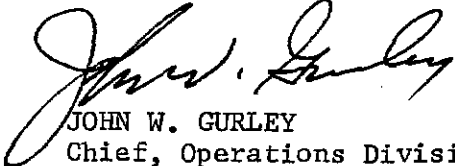

Dear Mr. Campbell:

The inclosed St. Louis Pipeline Corporation proposal to construct a six-inch welded steel petroleum products pipeline across the Cahokia Diversion Channel and cross the East Side Levee at approximate levee station 254+00 is approved.

It is requested that three (3) copies of the "As-built" drawings showing the manner in which the work is finally completed be furnished to this office for our permanent files.

Please feel free to contact Mr. Joseph E. Stalder for any additional information you may require.

Sincerely yours,

JOHN W. GURLEY
Chief, Operations Division

As stated

ORDINANCE NUMBER 219

AN ORDINANCE GRANTING THE ST. LOUIS PIPE LINE CORPORATION AN EASEMENT TO CONSTRUCT, OPERATE AND MAINTAIN A SIX INCH WELDED STEEL PETROLEUM PIPE LINE ACROSS PROJECT NUMBER 1, OF THE EAST SIDE LEVEE AND SANITARY DISTRICT, MADISON COUNTY, ILLINOIS.

WHEREAS, the St. Louis Pipe Line Corporation desires an Easement to construct, operate and maintain a six inch welded steel petroleum pipe line across the right of way of The East Side Levee and Sanitary District, a municipal corporation in the Counties of Madison and St. Clair in the State of Illinois, over the Cahokia Diversion Channel, and

WHEREAS, The East Side Levee and Sanitary District desires to grant the St. Louis Pipe Line Corporation said Easement:

NOW, THEREFORE BE IT ORDAINED, by the Board of Trustees of The East Side Levee and Sanitary District, a municipal corporation of the Counties of St. Clair and Madison in the State of Illinois, as follows:

Section 1. The right, permission and authority is hereby granted to the St. Louis Pipe Line Corporation, its successors and assigns, to use a portion of Project Number 1, of The East Side Levee and Sanitary District as follows:

Approximate Levee Station 254+00, in T.4 N.R.9 W., Section 16, 3 P.M., in Madison County, Illinois as per drawing No. FS-100-12, attached hereto and made a part hereto.

Section 2. That any work herein authorized or required shall be done under the supervision and subject to the approval of the Chief Engineer of The East Side Levee and Sanitary District, who shall be represented on the work by an authorized inspector and that the St. Louis Pipe Line Corporation, its successors and assigns agree to reimburse the District the amount paid in salary to said inspector during the time that said work is in progress.

Section 3. That the St. Louis Pipe Line Corporation shall

construct, operate and maintain said pipe line at its own expense.

Section 4. That said work shall be done in a workmanlike manner and fully maintained during the time of this grant at the expenses of the St. Louis Pipe Line Corporation.

Section 5. That during the construction period, the St. Louis Pipe Line Corporation shall pay all of the expenses of the Engineering Department of The East Side Levee and Sanitary District in the inspection of said work to be done, and before said work is completed, and the St. Louis Pipe Line Corporation shall give to the East Side Levee and Sanitary District at least five days written notice prior to the commencement of the work.

Section 6. That the said St. Louis Pipe Line Corporation shall indemnify and save harmless The East Side Levee and Sanitary District from any and all liability of whatsoever kind or character or claim thereof on behalf of any person, firm, or corporation for injuries or alleged injuries, to any person or property that may arise or be alleged to arise on account of the construction, maintaining and operating of said work as herein described, and further it is expressly understood that the rights herein granted, are subject to the lawful use by the said The East Side Levee and Sanitary District, of the right of way granted and further that the St. Louis Pipe Line Corporation shall reimburse the East Side Levee and Sanitary District for any sums that it may be compelled to expend in defending itself from the work herein above granted.

Section 7. Nothing contained in the Ordinance shall be construed as granting any exclusive right or franchise to the St. Louis, Pipe Line Corporation and shall not interfere with or affect the rights of others to whom permission has been granted by said District and any right, franchise or Easement hereafter granted by the said District to any other person, firm or corporation for any use of said right of way shall not be subject to and not interfere with the rights and privileges herein

to the St. Louis Pipe Line Corporation, which said rights and privileges herein granted shall continue for twenty five years.

Section 8. That the St. Louis Pipe Line Corporation shall upon thirty days written notice from the President of the Board of Trustees of The East Side Levee and Sanitary District, or the Chief Engineer of the District, relocate without cost to the District, any part of said work that may be done, or has been done whenever same may interfere with the constructing, maintaining, or repair of the works of the East Side Levee and Sanitary District to perform such work without hindrance or delay and that said work shall be done as directed by and under the supervision of the Chief Engineer of said District or his authorized inspector.

Section 9. This Ordinance shall be in full force and effect from and after its passage and approval and written notice of acceptance thereof being filed with the Clerk of The East Side Levee and Sanitary District, by the St. Louis Pipe Line Corporation, its successors and assigns, provided that said written acceptance is filed within thirty days from the date of approval of this Ordinance. The following is the form of acceptance to be executed by the St. Louis Pipe Line Corporation on its letterhead.

"The terms and conditions of Ordinance Number _____, of The East Side Levee and Sanitary District, passed and approved on the _____ day of _____, 1970, are hereby approved and accepted and said The St. Louis Pipe Line Corporation does hereby agree to the terms and conditions thereof."

Dated this _____ day of _____, 1970.
